# **ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

---

This Admissions and Continued Occupancy Policy defines the PUNTA GORDA Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

## **1.0 FAIR HOUSING**

It is the policy of the PUNTA GORDA Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The PUNTA GORDA Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the PUNTA GORDA Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the PUNTA GORDA Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the PUNTA GORDA Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The PUNTA GORDA Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The PUNTA GORDA Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## **2.0 REASONABLE ACCOMMODATION**

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the PUNTA GORDA Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the PUNTA GORDA Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the PUNTA GORDA Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

## **2.1 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

## **2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION**

A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the PUNTA GORDA Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the PUNTA GORDA Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The PUNTA GORDA Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
  - 1. Would the accommodation constitute a fundamental alteration? The PUNTA GORDA Housing Authority's business is housing. If the request would alter the fundamental business that the PUNTA GORDA Housing Authority conducts, that would not be reasonable. For instance, the PUNTA GORDA Housing Authority would deny a request to have the PUNTA GORDA Housing Authority do grocery shopping for a person with disabilities.
  - 2. Would the requested accommodation create an undue hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the PUNTA GORDA Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what it is he or she needs; however, the PUNTA GORDA Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the PUNTA GORDA Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the PUNTA GORDA Housing Authority's programs and services, the PUNTA GORDA Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the PUNTA GORDA Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the PUNTA GORDA Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the PUNTA GORDA Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

### **2.3 LIVE-IN AIDE**

Reasonable accommodation may be approved for a Live-In Aide. A live-in aide is a person who resides **permanently** with one or more elderly persons, near-elderly persons or persons with disabilities and who is: (1) determined to be essential to and qualified to provide for the care and well-being of the persons; (2) not obligated for the support of the persons; **and** (3) would not be living in the unit except to provide the necessary supportive services. A live-in aide is not a member of the assisted family and is not entitled to the unit as the remaining member of the tenant family.

The Housing Authority **must** approve the person identified as the live-in aide. The Housing Authority may disapprove such a person if she/he (1) has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program; (2) has committed drug-related criminal activity or violent criminal activity; (3) does not pass any other background screening criteria contained in the Punta Gorda Housing Authority's ACOP; or (4) currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or Public Housing Assistance under the United States Housing Act of 1937.

The Housing Authority **will not** approve an unidentified live-in aide and **will not** approve a larger unit than the family qualifies for under the Housing Authority's subsidy standards until the live-in aide has been identified by the family and approved by the Housing Authority.

Intermittent, multiple or rotating care givers do not meet the definition of a live-in aide since they do not permanently reside with the family and an additional bedroom will not be approved. A caregiver/caretaker is not automatically synonymous with live-in aide. A tenant or applicant requesting a live-in aide will be asked to show a bona-fide need and that care provided by the live-in aide is an "arms-length transaction." The tenant or applicant will need to show that the live-in aide is qualified to provide the care, there is no other reason for the aide to reside in the unit, and the aide and participant will maintain separate finances.

### **3.0 SERVICES FOR LIMITED-ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS**

The PUNTA GORDA Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons Notice published in the Federal Register. The PUNTA GORDA Housing Authority shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the PUNTA GORDA Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the PUNTA GORDA Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

### **4.0 FAMILY OUTREACH**

The PUNTA GORDA Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the PUNTA GORDA Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The PUNTA GORDA Housing Authority will also try to utilize public service announcements.

The PUNTA GORDA Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

## **5.0 RIGHT TO PRIVACY**

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

## **6.0 REQUIRED POSTINGS**

In each of its offices, the PUNTA GORDA Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges

- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster

## **7.0 TAKING APPLICATIONS**

Families wishing to apply for the Public Housing Program will be required to complete a pre-application for housing assistance. Pre-Applications will be accepted online ONLY at [www.puntagordaha.org](http://www.puntagordaha.org) during dates and times as posted on our website and advertised in an area newspaper of general circulation. Paper pre-applications will not be accepted or mailed to interested families.

Assistance or exceptions to the on-line submittal ONLY policy will be made for those claiming disabilities. Persons with disabilities who require a reasonable accommodation in completing a pre-application may call the PUNTA GORDA Housing Authority to make special arrangements.

Applicants who are deaf, hard-of-hearing or speech impaired are encouraged to dial the national “711” Telecommunication Relay Service and be prepared to give the relay service the Punta Gorda Housing Authority’s number of (941) 639-4344.

Pre-applications are taken to compile a waiting list. Due to the demand for housing in the PUNTA GORDA Housing Authority jurisdiction, the PUNTA GORDA Housing Authority may take pre-applications on an open enrollment basis, depending on the length of the waiting list.

Completed pre-applications will be accepted from all applicants. Only one pre-application will be accepted per household. The PUNTA GORDA Housing Authority will verify the information.

The completed pre-application will be dated and time stamped upon submission to the PUNTA GORDA Housing Authority.

The application process will involve two phases. The first phase is the initial on-line pre-application for housing assistance. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.).

Upon receipt of the family's pre-application, the PUNTA GORDA Housing Authority will make a preliminary determination of eligibility. This first phase results in an “apparently eligible” family’s placement on the wait list. A family may check its status and position on the wait list on PGHA’s website under Apply for Housing or call 1-501-537-7741. If the PUNTA GORDA Housing Authority determines the family to be ineligible for the wait list, PGHA will mail the family a notice stating the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The apparently eligible applicant placed on the wait list must report changes in writing regarding their applicant status, including changes in family composition, address, contact information and income. The PUNTA GORDA HOUSING AUTHORITY provides preferences for housing selection, so it is important to provide information that changes the applicant’s preference status (see preferences, Section 10.1) and position on the wait list. The PUNTA GORDA HOUSING AUTHORITY will annotate the applicant’s file and will update the applicant’s place on the wait list. No changes will be taken over the phone.

The second phase is the **final determination** of eligibility, referred to as the full application. The full application takes place when the family nears the top of the wait list. The PUNTA GORDA Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family’s final eligibility for admission into the Public Housing Program.

## **8.0 ELIGIBILITY FOR ADMISSION**

### **8.1 INTRODUCTION**

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the

PUNTA GORDA Housing Authority screening criteria in order to be admitted to public housing.

## 8.2 **ELIGIBILITY CRITERIA**

A. Family Status - All families must have a Head of Household. A family is defined as a person or group of persons, consistent with 24 CFR 5.403, that includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

1. **A family with or without children.**

- a. Children temporarily absent from the home due to placement in foster care are considered family members.
- b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.

2. **An elderly family, which is:**

- a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
- b. Two or more persons who are at least 62 years of age living together; or
- c. One or more persons who are at least 62 years of age living with one or more live-in aides.

3. **A near-elderly family, which is:**

- a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
- b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
- c. One or more persons who are at least 50 years of age but below the age of 62, living with one or more live-in aides.

4. A **disabled family**, which is:
  - a. A family whose head, spouse, or sole member is a person with disabilities;
  - b. Two or more persons with disabilities living together; or
  - c. One or more persons with disabilities living with one or more live-in aides.
  - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
6. A **remaining member of a tenant family** is a family member of an assisted family who remains in the unit when other family members have left the unit.
7. A **single person** who may be an elderly, displaced person, a person with disabilities, near-elderly, remaining member of a tenant family, or any other single person.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another

assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the PUNTA GORDA Housing Authority.

4. If the PUNTA GORDA Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The PUNTA GORDA Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

If there are no eligible families on the waiting list and the PUNTA GORDA Housing Authority has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

#### C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
  - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.

- b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 5 for calculating rents under the non-citizen rule).
- c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members must provide a Social Security number or certify that they do not have one (for example, in the case of an ineligible family member). Adults must certify for minors. Applicant families with children under the age of 6 may become a participant, even if the child's social security number has not been verified at admission. If social security number has not been verified at end of 90-day period, PGHA must determine whether a 90-day extension is merited.

E. Signing Consent Forms

- 1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
- 2. The consent form must contain, at a minimum, the following:
  - a. A provision authorizing HUD or the PUNTA GORDA Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
  - b. A provision authorizing HUD or the PUNTA GORDA Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
  - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;

- d. A statement allowing the PUNTA GORDA Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Special College Student Eligibility Rules

In order to be eligible for public housing, college students living outside their parents or guardians homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the PUNTA GORDA Housing Authority evidence of the establishment of the separate household.

The college student must not be claimed as a dependent by parents or guardians on their IRS returns. This will be verified by examining the student's IRS return for the previous year. The PUNTA GORDA Housing Authority will examine the box that asks if someone else claimed them on their tax return.

If the student is receiving an athletic scholarship that includes over \$5000 a year for housing costs, the student shall not be eligible for public housing.

**8.3 SUITABILITY**

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The PUNTA GORDA Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, PUNTA GORDA Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The PUNTA GORDA Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
  - 1. History of meeting financial obligations, especially rent and any utility payments;

2. History of past non-compliance with housing lease requirements, such as, but not limited to, non-authorized guests or damages to property, which could reasonably be expected to have a detrimental effect on PGHA's property environment, other tenants, or others residing in the immediate vicinity of the property.
  3. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
  4. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well-being of other tenants or staff or cause damage to the property;
  5. History of disturbing neighbors or destruction of property;
  6. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
  7. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The PUNTA GORDA Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The PUNTA GORDA Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
  2. A rental history check of all adult family members. If landlord references are not available due to applicant owning a home but losing it to foreclosure or applicant being a young adult who has only lived with parents, or a similar situation, a personal reference will be required.
  3. A criminal background check on all adult household members, including

live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the PUNTA GORDA Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the PUNTA GORDA Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the PUNTA GORDA Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the PUNTA GORDA Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The PUNTA GORDA Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

#### **8.4 GROUND FOR DENIAL**

The PUNTA GORDA Housing Authority is required by HUD regulations to deny admission to its Public Housing Program when:

- A. PGHA determines any household member is currently engaged in illegal use of a drug. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current.
- B. PGHA determines it has reasonable cause to believe a household member’s illegal drug use or pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- C. Any family member has ever been convicted of manufacturing or producing methamphetamine in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing. Denial is for Life.
- D. Any family member has a lifetime registration under a State sex offender registration program. Denial is for Life.
- E. PGHA determines it has reasonable cause to believe a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- F. Household does not supply information or documentation required by the application process, such as executed consent forms, evidence of citizenship or eligible immigration status.
- G. Any family member has been evicted from federally assisted housing for drug-related criminal activity within three years. However, PGHA may admit the household if PGHA determines:
  - 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by PGHA; or
  - 2. Circumstances leading to the eviction no longer exist (for example, criminal household member has died or is imprisoned.)

In addition, the Punta Gorda Housing Authority will reject applicants by authority provided to the Housing Authority under CFR 24 §960.203 and §960.204 when applicant or any family member:

- A. Does not meet any one or more of the eligibility criteria;
- B. Has been evicted from federally assisted housing for drug-related criminal activity within five years. The five (5) year limit is based on the date of such eviction, not the date the crime was committed. However, PGHA may admit the household if PGHA determines:
  - 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by PGHA; or
  - 2. Circumstances leading to the eviction no longer exist (for example, criminal household member has died or is imprisoned.)
- C. Fails to respond to a written request for information or a request to declare their continued interest in the program or fail to complete any aspect of the application or lease-up process;
- D. Has a history of not meeting financial obligations, especially rent and security deposits, or non-compliance with housing lease requirements.
- E. Does not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants or people residing in the immediate vicinity.
- F. Has a history of criminal activity involving crimes of physical violence against persons or property and/or any other criminal activity including drug or alcohol related criminal activity that would adversely affect the health, safety or well-being of other tenants or staff or cause damage to the property even if he/she has not been arrested, convicted or prosecuted for said conduct. A household member having a history of criminal activity must meet the following criteria for their eligibility for assistance to be considered:
  - 1. A person who has engaged in or been arrested, convicted or prosecuted for violent criminal activity is not eligible for the Public Housing program until five (5) years from the date he/she has last participated in violent criminal activity or successfully completed his/her sentence and or probationary term.

PGHA will consider all relevant circumstances, such as seriousness of the case, extent of culpability, mitigating circumstances, and effect of denial on other family members when determining eligibility for admission to program.

2. A person who has engaged in drug or alcohol related criminal activity that would adversely affect the health, safety or well-being of other tenants or staff or cause damage to the property is not eligible for the Public Housing program until five (5) years from the date that the person last participated in activity or successfully completed an approved and certified drug or alcohol rehabilitation program and/or has successfully completed any sentence or probationary period resulting from said drug or alcohol related criminal activity. PGHA will consider all relevant circumstances, such as seriousness of the case, extent of culpability, mitigating circumstances, and effect of denial on other family members when determining eligibility for admission to program.
- G. Has a history of criminal activity, including but not limited to, crimes such as arson, murder, attempted murder, homicide, criminally negligent homicide, kidnapping, manslaughter, rape, sexual assault, sexual abuse or felony crimes against children. Denial is for life.
- H. Has engaged in drug-related criminal activity limited to illegal use or possession for personal use of a controlled substance within three (3) years prior to the date of application for the Public Housing program, even if he/she has not been arrested, convicted or prosecuted for said conduct. After three years, PGHA will consider all relevant circumstances, such as seriousness of the case, extent of culpability, mitigating circumstances, and effect of denial on other family members when determining eligibility for admission to program.
- I. Has engaged in one (1) misdemeanor charge(s) or conviction(s) that does not involve crimes of physical violence against persons or property or drug-related criminal activity may be considered for Public Housing assistance through the screening process on a case-by-case basis.
- J. Has engaged in felonious (felony), non-violent criminal activity within the last five years. After five (5) years PGHA will consider all relevant circumstances, such as seriousness of the case, extent of culpability, mitigating circumstances, and effect of denial on other family members when determining eligibility for admission to program.
- K. Has a history of disturbing neighbors or destruction of property;

- L. Currently owes rent or other amounts to any housing authority in connection with their Public Housing or Section 8 programs;
- M. Has committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived from;
- N. Has engaged in other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the PUNTA GORDA HOUSING AUTHORITY (including a PUNTA GORDA HOUSING AUTHORITY employee or a PUNTA GORDA HOUSING AUTHORITY contractor, subcontractor or agent).
- O. Who is a fugitive felon, parole violator, and/or person fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. Has violated any family obligations under previous participation in the program;
- Q. Has a family member that the PUNTA GORDA HOUSING AUTHORITY ever terminated assistance for under the program;
- R. Has engaged in or threatened abusive or violent behavior towards any PUNTA GORDA HOUSING AUTHORITY staff member or resident;

If the PUNTA GORDA Housing Authority denies admission to the PUNTA GORDA Housing Authority's public housing program on the basis of a criminal record, the PUNTA GORDA Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have 10 calendar days to dispute the accuracy and relevance of the record in writing. If the PUNTA GORDA Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

Being a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in

Section 20.2B of the ACOP, and must be submitted within ten (10) calendar days after receipt of the Housing Authority's written request for verification.

## **8.5 *INFORMAL REVIEW***

- A. If the PUNTA GORDA Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the PUNTA GORDA Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 calendar days of the denial. The PUNTA GORDA Housing Authority will describe how to obtain the informal review. The informal review may be conducted by any person designated by the PUNTA GORDA Housing Authority, other than a person who made or approved the decision under review. The applicant must be given the opportunity to present written or oral objections to the PUNTA GORDA Housing Authority's decision. The PUNTA GORDA Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.
- B. The applicant may request that the PUNTA GORDA Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

## **9.0 *MANAGING THE WAITING LIST***

### **9.1 *OPENING AND CLOSING THE WAITING LIST***

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

## **9.2 ORGANIZATION OF THE WAITING LIST**

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be maintained in the applicant's file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any significant contact between the PUNTA GORDA Housing Authority and the applicant will be documented in the applicant file.
- D. All files (applicant or participant) shall be retained for three years from the date the file is closed, whether this is due to the surrender of housing or removal of an applicant from the waiting list, whichever is later.

## **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's eligibility will be verified. If the family no longer qualifies the PUNTA GORDA Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the eligibility has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

#### **9.4 PURGING THE WAITING LIST**

The PUNTA GORDA Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the PUNTA GORDA Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

The purge shall consist of the PUNTA GORDA HOUSING AUTHORITY mailing via first class mail a form to be completed by the person on the waiting list and returned to the housing authority within a specified number of calendar days. If the envelope is returned as undeliverable or if no response is received from the applicant within the specified time frame, the applicant shall be stricken from the waiting list. If the envelope is returned with a forwarding address on it, the housing authority shall mail the form to the new address, with a new deadline for response.

#### **9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The PUNTA GORDA Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list. The reason for all removals from the waiting list shall be carefully documented in the applicant's file and retained for three years from the date the file is closed.

#### **9.6 MISSED APPOINTMENTS**

All applicants who fail to keep a scheduled appointment with the PUNTA GORDA Housing Authority will be sent a notice of termination of the process for eligibility.

The PUNTA GORDA Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the PUNTA GORDA Housing Authority will work closely with the family to find a more suitable time.

## **9.7 NOTIFICATION OF NEGATIVE ACTIONS**

Any applicant whose name is being removed from the waiting list will be notified by the PUNTA GORDA Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The PUNTA GORDA Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the PUNTA GORDA Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

## **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

### **10.1 PREFERENCES**

Consistent with the PUNTA GORDA HOUSING AUTHORITY Agency Plan and this ACOP, the PUNTA GORDA HOUSING AUTHORITY maintains applications on its waiting list in order of date and time of application. The PUNTA GORDA HOUSING AUTHORITY will select families from its waiting list according to the following preferences within each bedroom size based on local housing needs and priorities. They are consistent with the PUNTA GORDA HOUSING AUTHORITY's Agency Plan and the Consolidated Plan that covers its jurisdiction.

- A. Applicants who reside or work in the Punta Gorda Housing Authority's jurisdiction at the time of application **and** admission to the Public Housing Program. If applicable, this preference will be added to Preferences B and C below. **5 points**
- B. Applicants displaced through no fault of their own 1) by government action, or 2) because their home was extensively damaged or destroyed as a result of a disaster (fire, flood, hurricane) declared by the Punta Gorda Housing Authority Board of Commissioners and the Executive Director. All information will be verified by

qualified government agencies, County building inspectors, police or fire department records, etc. (Applicants who qualify for this preference may also qualify for A and C below.) **2 points**

C. Applicants whose head, spouse or sole member has verifiable employment prior to admission at a minimum of 20 hours per week **OR** households whose head and spouse or sole member is age 62 or older or is receiving social security disability benefits, supplemental security income, disability benefits, or any other payment based on the individual's inability to work. **4 points.**

D. All other applicants by date and time of application.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Households in all preferences remain on the wait list until removed according to 9.5 of this Admissions and Continued Occupancy Plan.

**Buildings Designed for the Elderly and Disabled (Mixed Population Developments):** Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

**Buildings Designated as Elderly Only Housing:** The **(Insert Development name or names)** has been approved by HUD as being designated for elderly only. In filling vacancies in this development, first priority will be given to elderly families. If there are no elderly families on the list, next priority will be given to the near-elderly. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

**Buildings Designated for Disabled Only Housing:** The **(Insert Development name or names)** has been approved by HUD as being designated for persons with disabilities only. In filling vacancies in this development, first priority will be given to disabled families. If there are no disabled families on the list, next priority will be given to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no

families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

**Special Needs Units at Verandas Senior Housing:** Applicant households that have been identified as having persons with special needs as defined by Rule Chapter 67-48, Florida Administrative code, shall be placed on the preference wait list for the project based voucher (PBV) units at Verandas that have been designated for such households. This preference shall be specifically for individuals or households who are referred by a partnering service agency and certified as being special needs households by the partnering service agency. The partnering service agency must be a designated Special Needs Household Referral Agency in the county where the Development is located.

This preference does not apply to admissions to any other Punta Gorda Housing Authority Public Housing unit, it is limited ONLY to the special needs units at Verandas I and II.

Any family offered one of the special needs units at Verandas, shall retain its place on any other public housing wait lists in accordance with the remainder of the ACOP. The acceptance or rejection of the offer of the special needs PBV unit shall not affect the applicant's place on any other public housing wait list. However, if an applicant declines an offer of a special needs PBV unit, their application shall be removed from the preference wait list for the designated units.

### ***10.1.1 HOUSING FOR FEDERALLY DECLARED DISASTER VICTIMS***

In the case of a federally declared disaster, the PUNTA GORDA Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers

are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

**10.2 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARD)**

The PUNTA GORDA HOUSING AUTHORITY determines the appropriate number of bedrooms under its subsidy standards for families of different sizes and compositions and places the household on the appropriate bedroom size wait list. The subsidy standard must comply with housing quality standards (HQS) space requirements, provide for the smallest number of bedrooms needed to house the family without overcrowding and must be applied consistently for all families of like size and composition.

These subsidy standards are based on HQS standards that allow two persons per bedroom or living/sleeping room.

In determining bedroom size, the PUNTA GORDA HOUSING AUTHORITY will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school or temporarily in foster-care, and any approved live-in aide.

The family bedroom unit size determined by the PUNTA GORDA HOUSING AUTHORITY in accordance with these guidelines does not determine who within the household will share a bedroom/sleeping room.

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	6	10

In addition, the following considerations may be taken in determining bedroom size:

- A. Two adults of the same sex will share a bedroom. A minor child who will turn 18 during the lease term will be considered an adult when determining bedroom size.
- B. Children of the same sex will share a bedroom.
- C. Children of the opposite sex will share a bedroom until one child reaches the age of six.
- D. Foster adults and/or foster children will be included in determining bedroom size only if they will be in the unit for more than 12 months as confirmed by the placing agency or court.
- E. Adults and children over the age of two (2) will not be required to share a bedroom.
- F. A family consisting of a pregnant woman, with no other persons, must be treated as a two person family and will receive a one-bedroom unit.
- G. Single person families will receive a one (1) bedroom.
- H. Adults of the opposite sex, except spousal/partner relationships, will receive separate bedrooms.

Exceptions to normal bedroom size standards include the following:

- A. On a case by case basis, when a housing unit with very small or very large bedrooms, or other specific situation, such as a den or study, encourage or inhibit a higher or lower level of occupancy, so long as desired occupancy does not violate local occupancy code.
- B. A family may request a smaller unit size than the guidelines allow. The PUNTA GORDA Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned or a case by case exception is permitted as in A above. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit until the family size changes and under no circumstances sooner than one year.
- C. A family may request a larger unit size than the guidelines allow when an additional bedroom is needed for medical equipment or medical need, if the need is documented by a health care provider. The actual equipment in the extra bedroom

or use of the extra bedroom for medical need will be verified by the Housing Authority at admission and at each annual recertification.

- D. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- E. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- F. For an approved Live-in aide who lives in the unit permanently. The Live-in Aide will receive a separate bedroom. No additional bedrooms will be allocated for the Live-In Aide's family.

If the extra bedroom approved for use of medical equipment /medical need or a Live-In Aide is not being used for the intended purpose, the Housing Authority will reduce the subsidy standard at the family's next annual recertification according to HUD 24 CFR Section 966.4. If the Housing Authority believes any family obligations under 24 CFR Section 966.4 were violated, the Housing Authority will take further actions in accordance with the Punta Gorda Housing Authority Admissions and Continued Occupancy Plan.

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom unit. (24 CFR960.206 (d))

### **10.3 SELECTION FROM THE WAITING LIST**

The PUNTA GORDA Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the PUNTA GORDA Housing Authority's voucher program during a fiscal year exceed the 75% minimum targeting requirement for the PUNTA GORDA Housing Authority's voucher program, such excess

shall be credited (subject to the limitations in this paragraph) against the PUNTA GORDA Housing Authority's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten % of public housing waiting list admissions during the PUNTA GORDA Housing Authority fiscal year;
- B. Ten % of waiting list admissions to the PUNTA GORDA Housing Authority's Section 8 tenant-based assistance program during the PHA fiscal year; or
- C. The number of qualifying low-income families who commence occupancy during the fiscal year of PUNTA GORDA Housing Authority public housing units located in census tracts with a poverty rate of 30 % or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list PGHA will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

#### **10.4 DECONCENTRATION POLICY**

It is the PUNTA GORDA Housing Authority's policy to provide for de-concentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The PUNTA GORDA Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

The PUNTA GORDA Housing Authority is not subject to the de-concentration requirements according to 24 CFR 903. Nevertheless, the PUNTA GORDA Housing Authority will affirmatively market its housing to all eligible income groups.

## **10.5 DECONCENTRATION INCENTIVES**

The PUNTA GORDA Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the de-concentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

## **10.6 OFFER OF A UNIT**

When the PUNTA GORDA Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the de-concentration goal and/or the income targeting goal.

The PUNTA GORDA Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) calendar days from the date the family was contacted by telephone or from the date the letter was mailed to contact the PUNTA GORDA Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. The family will have two (2) calendar days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the PUNTA GORDA Housing Authority will send the family a letter documenting the offer and the rejection.

## **10.7 REJECTION OF UNIT**

If in making the offer to the family the PUNTA GORDA Housing Authority skipped over other families on the waiting list in order to meet their de-concentration goal or offered the family any other de-concentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the PUNTA GORDA Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other de-concentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time; the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

**10.8 ACCEPTANCE OF UNIT**

The family will be required to sign a lease that will become effective no later than three (3) calendar days after the date of acceptance or the calendar day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process. The orientation shall include the resident’s rights and responsibilities under the Violence Against Women Act.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant’s file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the PUNTA GORDA Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident’s copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to:

<b>Bedroom Size</b>	<b>Deposit Amount</b>
<b>1</b>	<b>\$100.00</b>
<b>2</b>	<b>\$200.00</b>
<b>3</b>	<b>\$300.00</b>
<b>4</b>	<b>\$400.00</b>

In exceptional situations, the PUNTA GORDA Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

## **11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME**

To determine annual income, the PUNTA GORDA Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the PUNTA GORDA Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

### **11.1 INCOME**

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the PUNTA GORDA Housing Authority believes that past income is the best available indicator of expected future income, the PUNTA GORDA Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

- B. Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:
1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
  2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
  3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
  4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
  5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump

sum additions such as insurance payments from worker's compensation are excluded.)

6. Welfare assistance

a. Welfare assistance payments

- 1). Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
  - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
  - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
- 2). If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
  - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
  - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

b. Imputed welfare income

- 1) A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure

to comply with economic self-sufficiency requirements, as specified in notice to the PUNTA GORDA Housing Authority by the welfare agency) plus the total amount of other annual income.

- 2) At the request of the PUNTA GORDA Housing Authority, the welfare agency will inform the PUNTA GORDA Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PUNTA GORDA Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PUNTA GORDA Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- 3) A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the PUNTA GORDA Housing Authority by the welfare agency).
- 4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- 5) The PUNTA GORDA Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- 6) If a resident is not satisfied that the PUNTA GORDA Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PUNTA GORDA Housing Authority denies the family's request to modify such amount, then the PUNTA GORDA Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis

for the PUNTA GORDA Housing Authority's determination of the amount of imputed welfare income. The PUNTA GORDA Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

c. Relations with welfare agencies

- 1). The PUNTA GORDA Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PUNTA GORDA Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- 2). The PUNTA GORDA Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the PUNTA GORDA Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due

process procedures. The PUNTA GORDA Housing Authority shall rely on the welfare agency notice to the PUNTA GORDA Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

7. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

## **11.2 EXCLUSIONS FROM INCOME**

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance, including mandatory fees and charges in addition to tuition, paid directly to the student or to the educational institution unless it is an athletic scholarship that includes assistance available for housing costs and that portion is included in income;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:

1. Amounts received under training programs funded by HUD;
2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, childcare, etc.) and that are made solely to allow participation in a specific program;
4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PUNTA GORDA Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

9. Adoption assistance payments in excess of \$480 per adopted child;
10. **This exclusion will be removed in its entirety and no longer used when HUD final guidance regarding the 2016 Housing Opportunities Through Modernization Act (HOTMA) is provided, expected summer of 2018.**

The incremental earnings due to employment during a 24-straight month continuous period following date of the initial hire shall be excluded. This exclusion is only available to the following participant families:

- a. Participant Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. Participant Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
- c. Participant Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

The disallowance of increased income of an individual family member is limited to a lifetime 24-month period.

If the family member discontinues the employment that initially qualified the family for the exclusion, the 24-calendar month period continues. During the 24-calendar month period, the exclusion benefits are recalculated based on changes to family member income and employment. The benefit expires at the end of the 24 months, regardless of how many months were “used.”

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;

12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
13. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the PUNTA GORDA Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

## **11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES**

The PUNTA GORDA Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. ## 12.0 VERIFICATION

The PUNTA GORDA Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

### 12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

#### 1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Enterprise Income Verification (EIV)** – HUD’s online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form.”
- b. **State Wage Information Collection Agencies (SWICAs)**
- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**

- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

The PUNTA GORDA Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the PUNTA GORDA Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the PUNTA GORDA Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the PUNTA GORDA Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

## **2. Third –Party Written Verifications**

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The PUNTA GORDA Housing Authority will allow two (2) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

### **3. Third-Party Oral Verifications**

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The PUNTA GORDA Housing Authority will allow seven (7) calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

### **4. Review of Documents**

When UIV, written and oral third party verifications are not available within the two (2) week and seven (7) calendar days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

### **5. Self-Certification and Self-Declaration**

When UIV, written and oral third party verifications are not available within the two (2) week and seven (7) calendar days period allowed in paragraphs

2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the PUNTA GORDA Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

## 12.2 TYPES OF VERIFICATION

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The PUNTA GORDA Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The PUNTA GORDA Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the PUNTA GORDA Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the PUNTA GORDA Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed

on the lease) to permanently reside in their public housing unit, the family will be evicted.

Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

#### **12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS**

Prior to admission, each family member who has a Social Security number must provide verification of their Social Security number. However, an applicant family with children under the age of 6 may become a participant family, even if the child's social security number has not been verified at admission. If the social security number has not been verified at end of a 90-day period, PGHA must determine whether a 90-day extension is merited. New family members must provide this verification prior to being added to the lease.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the PUNTA GORDA Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The PUNTA GORDA Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

## ***12.5 TIMING OF VERIFICATION***

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

## ***12.6 FREQUENCY OF OBTAINING VERIFICATION***

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

## ***12.7 SPECIAL VERIFICATION FOR ADULT STUDENTS***

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is received, the certification must state the amount of the anticipated support. The PUNTA GORDA Housing Authority shall verify using normal third party verification procedures that amount by communicating directly with the supporting person(s). If an athletic scholarship is involved, the PUNTA GORDA Housing Authority shall determine if any of the scholarship is available for housing costs.

## **13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT**

### **13.1 FAMILY CHOICE**

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income re-examination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
  - 1. The family's income has decreased.
  - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
  - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- D. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the PUNTA GORDA Housing Authority will provide them with the following information whenever they have to make rent decisions:
  - 1. The PUNTA GORDA Housing Authority's policies on switching types of rent in case of a financial hardship; and
  - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the PUNTA GORDA Housing Authority will provide the amount of income-based rent for the subsequent year only the year the PUNTA GORDA Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

### **13.2 THE INCOME METHOD**

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.00.

### **13.3 MINIMUM RENT**

The PUNTA GORDA Housing Authority has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the PUNTA GORDA Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
  - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
  - 2. When the family would be evicted because it is unable to pay the minimum rent;
  - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and

4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
  - C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
  - D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
  - E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

#### **13.4 THE FLAT RENT**

The PUNTA GORDA Housing Authority sets a flat rent for each public housing unit. At admission, a family may choose between the flat rent amount and the income-based rent. Pursuant to HUD requirements, flat rent must be at least 80% of local Fair Market Rents (FMR), subject to an appropriate utility adjustment. The Punta Gorda Housing Authority will reevaluate annually and make adjustments in accordance with annual FMR releases. If the FMR falls from the previous year, the housing authority may, but is not required to, lower the flat rent amount to 80% of FMR. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the family's next annual recertification.

Public Housing units within a mixed finance tax credit property are not subject to this HUD requirement. Flat rents in a mixed-finance property assisted pursuant to the Low Income Tax Credit program under Section 42 of the Internal Revenue Code of 1986 must continue to comply with the requirements set forth in Section 42 and may not exceed the amounts allowable under that section.

Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

### ***13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE***

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the Maximum family rent. Maximum family rent is equal to the applicable flat rent for the unit size to be occupied by the family.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy for which the family could qualify if all members were eligible.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated eligible subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

### ***13.6 UTILITY ALLOWANCE***

The PUNTA GORDA Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the PUNTA GORDA Housing Authority will

review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc. Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the PUNTA GORDA Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. All utility allowance checks will be paid directly to the utility company. For PUNTA GORDA Housing Authority paid utilities, the PUNTA GORDA Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the PUNTA GORDA Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the PUNTA GORDA Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of PUNTA GORDA Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the PUNTA GORDA Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

### ***13.7 PAYING RENT***

Rent and other charges are due and payable on the first day of the month. All rents should be paid at the Punta Gorda Housing Authority's administrative office, 340 Gulf Breeze Avenue, Punta Gorda, Florida 33950. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by 4:00 p.m. on the 10<sup>th</sup> day of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$75.00 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$25.00 for bank charges and/or processing costs.

## **14.0 COMMUNITY SERVICE**

### **14.1 GENERAL**

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

### **14.2 EXEMPTIONS**

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity as defined in section 407(d) of the Social Security Act, specified below. Family members must be working at least 20 hours per week.
  - 1. Unsubsidized employment;
  - 2. Subsidized private-sector employment;
  - 3. Subsidized public-sector employment;

4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
  5. On-the-job-training;
  6. Job-search and job-readiness assistance;
  7. Community service programs;
  8. Vocational educational training (not to exceed 12 months with respect to any individual);
  9. Job-skills training directly related to employment;
  10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
  11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
  12. The provision of free childcare services for an individual who is participating in a community service.
- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

When a non-exempt person becomes exempt, it is his or her responsibility to report this to PGHA and provide documentation. When an exempt person becomes non-exempt, it is his or her responsibility to report this to PGHA as soon as possible.

The Punta Gorda Housing Authority makes the final determination whether to grant an exemption from the community service requirement. If a resident does not agree with

PGHA's determination, the resident may dispute the decision through PGHA's Grievance Procedure.

### **14.3 NOTIFICATION OF THE REQUIREMENT**

The PUNTA GORDA Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The PUNTA GORDA Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The PUNTA GORDA Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after April 1, 2001. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

### **14.4 VOLUNTEER OPPORTUNITIES**

Community service includes performing volunteer work or duties in that are a public benefit and that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Together with the resident advisory councils, the PUNTA GORDA Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

### **14.5 THE PROCESS**

Upon admission or at the first annual reexamination on or after April 1, 2001, and each

annual reexamination thereafter, the PUNTA GORDA Housing Authority will do the following:

- A. Provide information about fulfilling the Community Service requirement.
- B. Obtain non-exempt and exempt certifications for each adult in the family.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.

Additionally, at least 30 days before the annual recertification, PGHA will review the exempt and non-exempt status and compliance of non-exempt family members.

- A. If the family is non-compliant with the Community Service requirement for the first time during their occupancy the Punta Gorda Housing Authority will notify the family prior to its annual recertification of the number of hours required to become compliant and provide a “one-time only” opportunity for the family to enter into an agreement to become compliant.
- B. If after entering into an agreement to comply, the family does not submit documentation of its compliance with the Community Service requirements at least sixty (60) calendar days before the family’s next annual recertification, or any future annual recertification, the Punta Gorda Housing Authority will provide notice of non-renewal of the lease at least thirty-five (35) days prior to the annual recertification.

#### ***14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT***

The PUNTA GORDA Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That, unless the family member(s) enter(s) into an agreement to comply, the lease will not be renewed or will be terminated. An agreement will be offered only once during a family’s tenancy;

The tenant may request a grievance hearing on PGHA’s determination to nonrenew, and

the tenant may exercise any available judicial remedy to seek timely redress for PGHA's nonrenewal of the lease.

#### **14.7 OPPORTUNITY FOR CURE**

The PUNTA GORDA Housing Authority will offer the family member(s) a "one-time only" opportunity to enter into an agreement during the family's annual recertification for the first occurrence of non-compliance. The agreement shall state that the family member(s) agree(s) to enter into an economic self-sufficiency program (if available) or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 10 month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the PUNTA GORDA Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

The agreement is a "one-time only" opportunity. If a family fails to comply with community service requirements in any future year of occupancy, the lease **MUST NOT** be renewed per HUD 960.607(c).

#### **14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES**

In implementing the service requirement, the PUNTA GORDA Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

### **15.0 RECERTIFICATIONS**

At least annually, the PUNTA GORDA Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

## **15.1 GENERAL**

The PUNTA GORDA Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

The PUNTA GORDA Housing Authority schedules and conducts annual recertification no earlier than 120 days prior to the household's recertification month. For households receiving cost of living adjustments (COLA) through the United States Social Security Department, the COLA standard effective on the date of their annual recertification exam meeting will be used to calculate income.

During the appointment, the PUNTA GORDA Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

## **15.2 MISSED APPOINTMENTS**

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the PUNTA GORDA Housing Authority taking eviction actions against the family.

## **15.3 FLAT RENTS**

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.

- B. The amount of the flat rent.
  - C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
  - D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
  - E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
    - 1. The family's income has decreased.
    - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
    - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.
- F. The dates upon which the PUNTA GORDA Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
  - G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
  - H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, PUNTA GORDA Housing Authority will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the PUNTA GORDA Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the PUNTA GORDA Housing Authority representative, they may make the selection on the form and return the form to the PUNTA GORDA Housing

Authority. In such case, the PUNTA GORDA Housing Authority will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

#### **15.4 THE INCOME METHOD**

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the PUNTA GORDA Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- E. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

#### **15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS**

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days' notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, the family waives its right to a 30 day rent increase notice, and any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

## **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Rent adjustments are not required if the increase in gross household income is less than \$40.00 per month. Rent adjustments will be processed for increases in gross family income of \$40.00 or more per month. Participants are still required to report all changes in household composition, income, assets, allowances and deductions in writing the PUNTA GORDA Housing Authority within 10 calendar days of their occurrence. Unreported changes will result in an immediate rent adjustment and the participant will be responsible for any overpaid rental assistance that was paid on their behalf.

Families are required to report the following changes to the PUNTA GORDA Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Household income has increased or allowable expenses have decreased.

Families adding a new household member under the age of 6 will be allowed 90 days to provide the assigned Social Security number for the child. PGHA shall grant a 90 extension if, in PGHA's discretion, failure to comply was due to unforeseen circumstances beyond control of the participant.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The PUNTA GORDA Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal

review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The PUNTA GORDA Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income which will be for **at least four (4) consecutive weeks** or an increase in allowable expenses. Upon such request, the PUNTA GORDA HOUSING AUTHORITY will take timely action to process the interim reexamination and recalculate the family share. Completed change forms and required verifications must be received by the Housing Authority **seven (7) calendar days** prior to the end of the month.

#### ***15.7 SPECIAL REEXAMINATIONS***

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the PUNTA GORDA Housing Authority may schedule special reexaminations every 120 calendar days until the income stabilizes and an annual income can be determined.

#### ***15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS***

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, the family waives its right to a 30 day rent increase notice, and any rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the

reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

### ***15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT***

If the PUNTA GORDA Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twelve (12) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

## **16.0 UNIT TRANSFERS**

### ***16.1 OBJECTIVES OF THE TRANSFER POLICY***

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding or under-utilization by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- F. To provide an incentive for families to assist in meeting the PUNTA GORDA Housing Authority's de-concentration goal, if appropriate.
- G. To eliminate vacancy loss and other expenses due to unnecessary transfers.

## **16.2. CATEGORIES OF TRANSFERS**

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health Condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Although a transfer, any Category A transfer to another Housing Authority site must meet income qualification guidelines for that site. A transferring household will also be expected to meet screening criteria at the other Housing Authority site if Federal agencies or Lender agencies have required criteria different from the site at which the household currently resides.

Category B: Critical administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When transfer is due to the need for accessible features, an accessible unit shall first be offered to families needing it who reside on the site that has the vacant accessible unit, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list. When the transfer is due to the Housing Authority needing to modernize, revitalize, dispose of or demolish a unit, families will be offered a vacant unit according to the Housing Authority's need to begin such work.

Although a transfer, any Category B transfer to another Housing Authority site must meet income qualification guidelines for that site. A transferring household will also be expected to meet screening criteria at the other Housing Authority site if Federal agencies or Lender agencies have required criteria different from the site at which the household currently resides.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain PUNTA GORDA Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers requested by tenant and approved by the PUNTA GORDA Housing Authority when the transfer is the only or best way of solving a serious problem. Transfers between sites requested by tenants are otherwise not permitted. PGHA will not consider a request by a family to be placed on the list until the family has resided at its current residence for a minimum of one year.

When a vacancy occurs and families in Category A and B have been served, families placed

on the Transfer List for Category C will be offered the unit according to Section 16.5 “Processing Transfers.”

Although a transfer, any Category C transfer to another Housing Authority site must meet income qualification guidelines for that site. A transferring household will also be expected to meet screening criteria at the other Housing Authority site if Federal agencies or Lender agencies have required criteria different from the site at which the household currently resides.

### **16.3 DOCUMENTATION**

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### **16.4 INCENTIVE TRANSFERS**

Transfer requests may be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments would have the opportunity to transfer to scattered-site housing if available. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed to the PUNTA GORDA Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;

G. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or

drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;

## **16.5 PROCESSING TRANSFERS**

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfer requests are organized by bedroom size requested in category C. Tenant-initiated transfers from each bedroom-size list will be housed along with applicants for the same size unit for admission at a ratio of one transfer for every (6) six admissions. If there are no tenant-initiated transfers on a Category C transfer list, the ratio “clock” will start on the date the transfer request was approved.

Housing Authority initiated transfers made to correct occupancy standards are not subject to the transfer ratio and do not impact the status of the ratio for other transfers on the list. Housing Authority initiated transfers have priority over tenant-initiated transfers. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the PUNTA GORDA Housing Authority and the family rejects two offers without good cause, the PUNTA GORDA Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the PUNTA GORDA

Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

- C. If the transfer is being made at the family's request and the rejected offer provides de-concentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include de-concentration incentives. The tenant's new transfer request date will be the date they declined the offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list, and resubmittal of the request will not be permitted until after a twelve (12) month wait.

#### **16.6 COST OF THE FAMILY'S MOVE**

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller; or
- C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the PUNTA GORDA Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the PUNTA GORDA Housing Authority has caused the unit to be unsafe or inhabitable; or
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

#### **16.7 TENANTS IN GOOD STANDING**

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the PUNTA GORDA Housing Authority. “Good Standing” means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection, both at time of request for placement on the transfer list and when household is notified of a transfer unit being available. If inspection of the current unit reveals excessive wear and tear and/or damages, charges will be calculated. Payment of calculated charges will be required in order to approve the request for placement on the transfer list or to transfer the household. If charges exceed two hundred dollars (\$200.00), the transfer will be denied and household denied placement on the transfer list or removed from the transfer list.

#### **16.8 TRANSFER REQUESTS**

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the PUNTA GORDA Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The PUNTA GORDA Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) calendar days of receipt of the request to schedule a meeting.

The PUNTA GORDA Housing Authority will grant or deny the transfer request in writing within ten (10) calendar days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the appropriate transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

#### **16.9 RIGHT OF THE PUNTA GORDA HOUSING AUTHORITY IN TRANSFER POLICY**

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. **It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.**

## **17.0 INSPECTIONS**

An authorized representative of the PUNTA GORDA Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the PUNTA GORDA Housing Authority file and a copy given to the family member. An authorized PUNTA GORDA Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any PUNTA GORDA Housing Authority damages to the unit.

### ***17.1 MOVE-IN INSPECTIONS***

The PUNTA GORDA Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

### ***17.2 ANNUAL INSPECTIONS***

The PUNTA GORDA Housing Authority will inspect each public housing unit annually to ensure that each unit meets the PUNTA GORDA Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

### ***17.3 PREVENTATIVE MAINTENANCE INSPECTIONS***

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

### ***17.4 SPECIAL INSPECTIONS***

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the PUNTA GORDA Housing Authority.

#### **17.5 HOUSEKEEPING INSPECTIONS**

Generally, at the time of annual reexamination, or at other times as necessary, the PUNTA GORDA Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition. Failure to maintain the property in a safe and sanitary condition will be grounds for termination per Section 20.2 of this plan.

#### **17.6 NOTICE OF INSPECTION**

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the PUNTA GORDA Housing Authority will give the tenant at least two (2) calendar days written notice.

#### **17.7 EMERGENCY INSPECTIONS**

If any employee and/or agent of the PUNTA GORDA Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

#### **17.8 PRE-MOVE-OUT INSPECTIONS**

When a tenant gives notice that they intend to move, the PUNTA GORDA Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the PUNTA GORDA Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the PUNTA GORDA Housing Authority to ready units more quickly for the future occupants.

#### **17.9 MOVE-OUT INSPECTIONS**

The PUNTA GORDA Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

## **18.0 PET POLICY**

### ***18.1 EXCLUSIONS***

This policy does not apply to animals that are necessary as a reasonable accommodation to assist, support or provide services to persons with disabilities. Trained, assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors, including, but not limited to, removal of waste, registering the pet, providing a picture to management and leaving pet unattended. Owners of trained, assistive animals will be required to comply with 18.5 of this policy in its entirety. 18.5 requires submission of annual inoculation records and compliance with all state and local laws pertaining to pet ownership. PGHA has the authority to regulate service animals which assist, support or provide services to persons with disabilities, under Federal, State or local law.

### ***18.2 PETS IN PUBLIC HOUSING***

The PUNTA GORDA Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. This policy applies to all public housing properties. However, sites not managed by the PUNTA GORDA HOUSING AUTHORITY, may have additional rights or limitations. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the PUNTA GORDA Housing Authority harmless from any claims caused by an action or inaction of the pet.

### ***18.3 APPROVAL***

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

### ***18.4 TYPES AND NUMBER OF PETS***

The PUNTA GORDA Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish

in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

No animal may exceed twenty-five (25) pounds in weight projected to full adult size.

## **18.5 INOCULATIONS**

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with

all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the PUNTA GORDA Housing Authority to attest to the inoculations.

#### **18.6 *PET DEPOSIT***

A pet deposit of **\$300.00** for dogs and cats; \$100.00 for all other types of pets is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear.

All residents registering a pet for the first time must pay a one-time non-refundable Pet Registration Fee of \$15.00.

Pet owners must pay an annual non-refundable pet fee of \$40.00 at the time of their Annual Income Verification to cover operating costs associated with pets.

Pet owners who do not pick up after their pets will be fined a waste removal charge of approximately \$15.00 per occurrence. In cases where extensive waste removal is necessary the resident will be charged the actual cost of any clean-up required.

#### **18.7 *FINANCIAL OBLIGATION OF RESIDENTS***

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the PUNTA GORDA Housing Authority reserves the right to exterminate and charge the resident.

#### **18.8 *NUISANCE OR THREAT TO HEALTH OR SAFETY***

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or PUNTA GORDA Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

The Authority may enter and inspect the unit and premises, after reasonable notice, during reasonable hours for compliance with the Pet Policy or other lease violations.

The Authority may also enter and inspect the unit if a written complaint is received alleging that the conduct or condition of the pet in the unit constitutes a nuisance or threat to the health and safety of the other occupants or persons in the community.

### ***18.9 DESIGNATION OF PET AREAS***

Pets must be kept in the owner's unit or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the PUNTA GORDA Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/building(s). This shall be implemented based on demand for this service.

### ***18.10 MISCELLANEOUS RULES***

Pets may not be left unattended in a dwelling unit for over 14 hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

No pet under any circumstances shall be left chained, leashed or tied to Housing Authority property outside the unit regardless of whether resident/pet owner is present.

All leashes shall not exceed six (6) feet in length.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

### ***18.11 VISITING PETS***

Guests may not bring their pets onto the Housing Authority property at any time. Pets not owned or registered by the resident with the Authority shall not be kept by the resident for any length of time or under any circumstance.

Residents are prohibited from feeding or harboring stray animals. The feeding or harboring of stray animals shall constitute having a pet without written permission by the Authority and deemed a violation of the lease.

### ***18.12 REMOVAL OF PETS***

The PUNTA GORDA Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other

persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the PUNTA GORDA Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

## **19.0 REPAYMENT AGREEMENTS**

When a resident owes the PUNTA GORDA Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the PUNTA GORDA Housing Authority allow them to enter into a Repayment Agreement. The PUNTA GORDA Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. Exceptions are at the sole discretion of the Executive Director. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

Once a tenant has entered into a Repayment Agreement, payments must be received each month by the due date. Failure to comply by the repayment agreement terms will be sufficient reason for termination of assistance. PGHA will follow its Repayment and Default Policy strictly to avoid claims of discrimination. Tenant should consider the seriousness and consequences of the repayment agreement before signing.

## **20.0 TERMINATION**

### ***20.1 TERMINATION BY TENANT***

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

### ***20.2 TERMINATION BY THE HOUSING AUTHORITY***

Twelve months after the PUNTA GORDA Housing Authority has implemented the mandated Community Service Requirement, it will **not** renew the lease of any non-exempt

family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The PUNTA GORDA Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- B. A history of late rental payments (four (4) notices within a 12 month period);
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent failure of the family to cooperate with the PUNTA GORDA Housing Authority by supplying information determined to be necessary ~~use~~ in a regularly scheduled reexamination, interim examination or fraud investigation by the deadline set by the Housing Authority or ;

If an individual or family's lease is terminated for criminal activity, the PUNTA GORDA Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the PUNTA GORDA Housing Authority will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

A tenant is afforded an opportunity for a hearing if the tenant disputes within a reasonable time a determination for lease termination or other PGHA action or failure to act involving the tenant's lease which adversely affects the tenant's rights, duties, welfare or status. The Punta Gorda Housing Authority's Grievance Procedure has been adopted according to HUD 966.52.

## **20.2A VAWA PROTECTIONS**

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the PUNTA GORDA Housing Authority:

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the PUNTA GORDA Housing Authority is granted the authority to bifurcate the lease.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.”

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The PUNTA GORDA Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 14 business days after receipt of the Housing Authority’s written request for verification.

## **20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING**

The PUNTA GORDA Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

- A. Requirement for Verification.** The law allows, but does not require, the PUNTA GORDA Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

- 1. HUD-approved form (HUD-50066)** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
- 2. Other documentation** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.

3. ***Police or court record*** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. ***Time allowed to provide verification/ failure to provide.*** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

### **20.2C CONFIDENTIALITY**

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The PUNTA GORDA Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

### **20.3 TERMINATIONS FOR CRIMINAL ACTIVITY**

- A. The term “due process determination” means a determination by HUD that law covering the PUNTA GORDA Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The PUNTA GORDA Housing Authority has therefore determined that its Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:

1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the PUNTA GORDA Housing Authority's public housing premises by other residents or employees of the Housing Authority;
2. Any violent or drug-related criminal activity on or off such premises; or
3. Any activity resulting in a felony conviction.

#### **20.4 ABANDONMENT**

The PUNTA GORDA Housing Authority will consider a unit to be abandoned when a resident is absent from the unit for a period of fifteen (15) days, the rent is not current, and Resident has not notified the Authority in writing in advance of an intended absence.

When a unit has been abandoned, a PUNTA GORDA Housing Authority representative may enter the unit and remove any abandoned property which will be disposed of immediately. As defined by Chapter 83, Part II, Florida Statutes, as amended, the Housing Authority will **not** be liable or responsible for storage or disposition of any property left in a unit or elsewhere on the Authority's property.

#### **20.5 RETURN OF SECURITY DEPOSIT**

After a family moves out, the PUNTA GORDA Housing Authority will return the security deposit within thirty (30) calendar days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The PUNTA GORDA Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within sixty (60) calendar days.

### **21.0 SUPPORT FOR OUR ARMED FORCES**

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The PUNTA GORDA Housing Authority is very supportive of these men and women. An unfortunate fact of service in

both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the PUNTA GORDA Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the PUNTA GORDA Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

## **22.0 ANTI-FRAUD POLICY**

The PUNTA GORDA Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the PUNTA GORDA Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately

report who is residing in the residence. The PUNTA GORDA Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the PUNTA GORDA Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the PUNTA GORDA Housing Authority deems appropriate.

**Total Tenant Payment (TTP):**

- A. Total tenant payment for families whose initial lease is effective on or after August 1, 1982:
  - 1. Total tenant payment is the amount calculated under Section 3(a)(1) of the 1937 Act which is the higher of :
    - a. 30% of the family's monthly adjusted income;
    - b. 10% of the family's monthly income; or

- c. If the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under section 3(a)(1) shall be the amount resulting from one application of the percentage.

2. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges.
  - B. Total tenant payment for families residing in public housing whose initial lease was effective before August 1, 1982: Paragraphs (b) and (c) of 24 CFR 913.107, as it existed immediately before November 18, 1996), will continue to govern the total tenant payment of families, under a public housing program, whose initial lease was effective before August 1, 1982.

**Utility Allowance:** If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made by a housing authority of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment. (24 CFR 5.603)

**Utility Reimbursement:** The amount, if any, by which the utility allowance for the unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (24 CFR 5.603)

**Very Low-Income Families:** Families whose incomes do not exceed 50% of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50% of the median for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

**Victims of Domestic Violence:** Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. The PUNTA GORDA Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual

or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility to claim this status:

- A. Verified actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.
- B. The actual or threatened violence must have occurred within the past 30 calendar days or be of a continuing nature.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced as a result of domestic violence.

The applicant must certify that the abuser will not reside with the applicant unless the Housing Authority gives prior written approval.

The Housing Authority will approve the return of the abuser to the household under the following conditions:

- A. The Housing Authority verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of the recurrence of violent behavior.
- B. A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.

If the abuser returns to the family without approval of the Housing Authority, the Housing Authority will deny or terminate assistance for breach of the certification.

If the family requests it, the PUNTA GORDA Housing Authority will try to ensure that the new location of the family is concealed.

**Violent criminal activity:** means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

**Welfare Assistance:** Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments (including assistance provided under the Temporary Assistance for Needy Families (TANF) program, as that term is defined under the implementing regulations issued by the Department of Health and Human Services at 45 CFR 260.31).

45 CFR 260.31 defines the term “assistance” to include cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

It includes such benefits even when they are:

- A. Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and
- B. Conditioned on participation in work experience or community service (or any other work activity under 45 CFR 261.30).

Except where excluded later in this definition, it also includes supportive services such as transportation and childcare provided to families who are not employed.

The term “assistance” excludes:

- A. Nonrecurrent, short-term benefits that:
  - 1. Are designed to deal with a specific crisis situation or episode of need;
  - 2. Are not intended to meet recurrent or ongoing needs; and
  - 3. Will not extend beyond four months.
- B. Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
- C. Supportive services such as child care and transportation provided to families who are employed;
- D. Refundable earned income tax credits;

- G. Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

**Welfare Rent:** In "as-paid" welfare programs, the amount of the welfare benefit designated for shelter and utilities.

**Written notification:** All written notifications required in this policy shall be hand delivered with a signed receipt or mailed via first class mail unless specified otherwise.
